

Prudential has agreed to provide their services for Teamsters Local 125 members at Coca-Cola regarding the recent lump sum offer. You are free to make your own decision whether to meet with your own personal adviser, make a financial decision on your own, or discuss it with a Financial Professional that has agreed to meet with you through the Union to make it more convenient for you.

You need to weigh out your options that best fit your needs.

The decision is solely yours and your responsibility.
